

# Prospects for the Development and Use of CNG in Transport

Organized under the auspices of Pavel Dobeš, Minister of Transport and the Ministry of the Environment of the Czech Republic.

## 20 and 21 February 2012

Convention Centre U Hájků, Na Florenci 29, Praha 1

Our NGV conference offers a unique opportunity to all businesses operating in road transport, company managers, state administration and local governments, mayors and councillors and all those who are interested in CNG use in transport.
